The new Day Hymn 1.

O hail the bright morning of life giving love
Will banish all evil away
We'll travel together to mansions above
To an everlasting new day (Quere
There there will the sons of the King and the
On love everlasting be fed
And there will the daughters of glory be seen
All drinking of life from the head

The voice of the spirit now sweetly does call
The Bride sayeth come come away
And let him that heareth re echo the call
Come on without further delay
For time is so swiftly advancing along
Continually seeming to say
O work away children and put away wrong
O work ye while now while it is day

own request. he died March the 17.th 1837

Hymn. 2.

1 Almighty Saviour, hear my prayer;
Heal my soul with sorrow torn!
A wounded spirit, who can bear?
Yet by thy help it can be borne.

2 Give me O Lord, repenting power
To crush my haughty nature low,
To make me watchful every hour,
And guard my steps where'er I go.

3 Thy mercy Lord, from time to time,
Has reached my soul when sore oppress'd,
Thou didst pass by my every crime,
And with forgiving love was blest.

M

4 Once more, kind Saviour, condescend
To satiate this soul of mine
And from hence fourth till time shall end,
This soul forever shall be thine.

5 Thou hast declared all souls are thine;
And I, ll confirm thy righteous claim;
And for a proof I, ll give up mine,
In honor to thy sacred name

6 So I, ll relinquish all demands
For any good I, ve ever done;

Christmas Hymn. 1837.

Rejoice o my people Jehovah doth say
Rejoice and be thankful on this christmas day
In commemoration of his blessed name
All nations must give to our Mother the same
She Herod did seek for to slay him at first
Because of ambition of pride and of lust
But God in his wisdom provided a way
To guard against Herod in his mighty sway

She Jesus was born in a manger of hay
Yet crowned with glory in that trying day
He taught his disciples the way out of sin
And through that example did Mother begin
She showed to mankind their deception and Lots
And by her example to take up their cross

So let us unite and see who can be least
And then we'll be blessed in our good Christmas feast
